REQUEST FOR APPROVAL OF DRAWING CHANGES

Applicant has amended FIG. 2A to include reference number 53 to identify central portions between slits 50 and 52. No new matter has been entered as the central portions were described in paragraph 38 of the application.

FIG. 5A has been amended to identify the stator plates 26 that form a stack in the stator segment core 20 as described in paragraph 38. In addition, insulating material 77 is shown positioned adjacent to the stack 20 as described in paragraph 43. No new matter has been entered by these amendments.

Respectfully submitted,

Dated: 2/4/02

By: Michael D. Wiggins
